PFA MEETING

**Monday 10th November 2025
at 5 PM**

Come along to the PFA meeting at Ravenswood School or join online to help us plan out the great events and fundraisers that help make the school community what it is today.

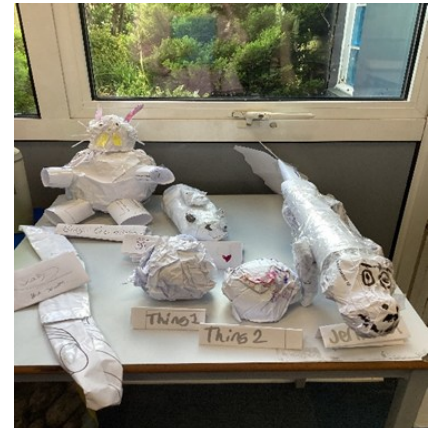

For more information contact;
familysupport@ravenswoodonline.org.uk

P16 CAREERS

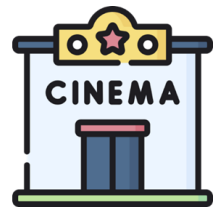

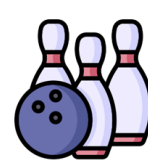

What a fun week for Careers in Post16. In P16TM and RM we started our 'Working With Others' unit where we plan to work as a team on a group enterprise project which will be a Spooky Halloween Sale! We started with a team building project which was really fun, we had to work together to make a 4 legged animal (which had to stand up) and each group had to guess what the animal was. The creations were exceptional and the names were unique and rather hilarious!

In P16IO we enjoyed singing songs about jobs, enjoyed bucket time with bubbles and fidgets toys. We dressed up as builders which was great fun and we learnt our sign of the week which was 'help'. The class also told each other their likes and dislikes, surprisingly Maths was so popular amongst the group and of course singing and dancing.

The staff have loved seeing the year 12 and 13 students welcome the year 11 new additions to the building. They have been great role models and have enjoyed showing the new pupils what we do in Post16. It has been great to see new friendships form and hear lots of laughter in the hallways. Here's to a great year.

The pupils have also been looking at potential trip destinations for Independence lessons next term. The list looks very exciting, some ideas were; The cinema, bowling, swimming and Costa Coffee!

P16 DEPARTMENT NEWS

P16 have shown excellent team work and sports skills playing Boccia in PE. They ensure everyone joined in and had a chance to play. They have been working hard identifying both positive and negative activities they can/do in their spare time and will be sharing a PowerPoint they have each made on pets this Friday in English.

PARENT GOVERNOR

We currently have parent governor vacancies here at school. If you are interested or would like more information please contact Toby Willis our chair of governors at twillis@ravenswoodonline.org.uk

HEADLICE

We currently have confirmed cases of head lice in school, Please check your child's hair and then refer to the Department of Health's Head Lice fact sheet: http://access.health.qld.gov.au/hid/InfectionsandParasites/Parasites/headLice_fs.asp

Your local pharmacist can provide advice regarding head lice treatment options and head lice combs.

To reduce your child's risk of getting head lice, make sure that long hair is tied up and discourage children from sharing their brushes and combs and having head to head contact with others.

Because head lice need close head-to-head contact to spread from one person to another, to reduce the spread of head lice, teachers will discourage students from activities which may involve head to head contact.

Remember - Anyone can get head lice – they have no preferences for cleanliness, hair colour, hair type, ethnicity or age.
