Friday 3rd October at 2pm- P16
(P16IO, P16RM & P16TM)

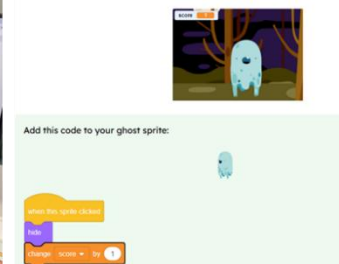

YEO CLASS NEWS

Yeo Class have settled back into routine well and have been learning about minibeasts in Science. We learnt about identifying different minibeasts and where they live. We enjoyed searching for them using magnifying glasses. In Art we have been learning about the colour wheel and painting our own colour wheels.

AVON CLASS NEWS

Avon Class have coded their own games in computing. We learnt to use variables and algorithms to make a spooky game that kept a score. I was very impressed by all of their hard work and focus.

AXE CLASS NEWS

Axe Class have had a fantastic start to the year, working hard in lessons and pushing themselves in preparation for their end of year exams. During English, Axe Class have been working on their spoken language component of their gold Step Up To English paper. They worked in groups to discuss the advantages and disadvantages of setting up a film club in school, they then presented their findings to the rest of the group, talking clearly and confidently and answering questions from their peers. We are very proud of Axe Class and their dedication and resilience towards learning!

CHILDREN'S FLU VACCINATION

Children's Flu vaccination (nasal and injection) catch-up clinics are available for all students who did not receive their vaccinations at school. Please book an appointment at

<https://imms.sirona-cic.org.uk/flu/2025/book?v=4>

If you have any queries, please contact the Immunisation Team directly on 0300 124 5515 or email sirona.sch-imms@nhs.net

HEADLICE

We currently have confirmed cases of head lice in school, please check your child's hair and then refer to the Department of Health's Head Lice fact sheet:

http://access.health.qld.gov.au/hid/InfectionsandParasites/Parasites/headLice_fs.asp

Your local pharmacist can provide advice regarding head lice treatment options and head lice combs.

To reduce your child's risk of getting head lice, make sure that long hair is tied up and discourage children from sharing their brushes and combs and having head-to-head contact with others.

Because head lice need close head-to-head contact to spread from one person to another, to reduce the spread of head lice, teachers will discourage students from activities which may involve head-to-head contact.

Remember - Anyone can get head lice – they have no preferences for cleanliness, hair colour, hair type, ethnicity or age.

**RAVENSWOOD SCHOOL
HALLOWEEN
DISCO**

COUNTY LINES WEBINAR SESSION

For Parents & Carers

Our gang and county lines parents' session consists of speakers with lived experience within the criminal justice system to unpack and explore the realities and consequences of county lines, gang involvement, and serious youth violence.

Perspectives from previous perpetrators and runners/ transporters, combined with relevant case studies, aid audiences in gaining an authentic and credible understanding of this complex and cross cutting issue.

The session will help parents and carers to identify the signs and triggers that a child or young person might be involved in county lines and gain an understanding of how to appropriately respond to such indicators.

For more information and to secure your place, please email yrp@n-somerset.gov.uk specifying which date you would like to attend.
