Safe

Private

Computer

NO MOBILE PHONES ON SCHOOL SITE

When dropping off and collecting your child from school, please leave your mobile phones in your pockets. This is for the safeguarding of all students, we have a no mobile phone policy for the school site.

ELM CLASS NEWS

In computing this term Elm Class have all learnt to log onto the computer independently and are beginning to use a search engine.

They have also been looking at setting up a restaurant in careers and practising being the waiting staff.

PINE CLASS NEWS

Pine Class made their own desk tidies out of clay which they now use to keep their stationary tidy and on their individual desks. They are very proud of them. They are also enjoying cooking this term. We have made scones, Welsh cakes and most recently curry. Everyone takes part in the cooking process and we all enjoyed eating together at the end. Pine Class are also writing their own fairy tales with characters they have made up and they are looking forward to reading them to class soon.

THANK YOU

Thank you to those that could join us for our primary tea/coffee afternoon. It was wonderful to meet and chat with new and current families, as well as tour the department and see pupils engaged in a range of learning activities. There was lots of joy and excitement from the pupils having you visit and we are grateful for your time and support.

How to

TREAT HEAD LICE

1 Wash your child's hair.

2 Apply lots of conditioner.

3 Use a comb and brush your child's hair.

4 Use a head lice comb and comb your child's hair in sections.

5 After each comb through the hair wipe the comb on a tissue.

6 Repeat 4 to 5 times on each section of your child's hair.

7 After you have finished, you can rinse out the conditioner.

8 You need to repeat the process everyday for a week.

9 You need to check your child's hair twice a week for head lice.
