Please ensure that you have given permission for this trip so your child can take part.

WARM CLOTHING

Please send your child in with warm coats, hats and gloves now the colder weather is upon us.

THANK YOU!

A huge thank you to the pupils, families and staff who have donated an incredible amount of food. This will shortly go to the local foodbank so we can help our wider community. You can still donate until Wednesday (22nd)

Thank you all

HEAD LICE

We currently have confirmed cases of head lice in school, Please check your child's hair and then refer to the Department of Health's Head Lice fact sheet:

http://access.health.qld.gov.au/hid/InfectionsandParasites/Parasites/headLice_fs.asp

Your local pharmacist can provide advice regarding head lice treatment options and head lice combs.

To reduce your child's risk of getting head lice, make sure that long hair is tied up and discourage children from sharing their brushes and combs and having head to head contact with others.

Remember - Anyone can get head lice – they have no preferences for cleanliness, hair colour, hair type, ethnicity or age.

ANTI-BULLYING WEEK

We have been taking part this week in lots of activities for Anti bullying week. This years antibullying campaign is 'make a noise about bullying'

We have talked about positive friendships, how to be kind, helping one another and who to talk to if we are worried about bullying. Our celebrations concluded with a DAB day incorporating 'Children in Need'
