KS3: Bradley, Callum H & Eva

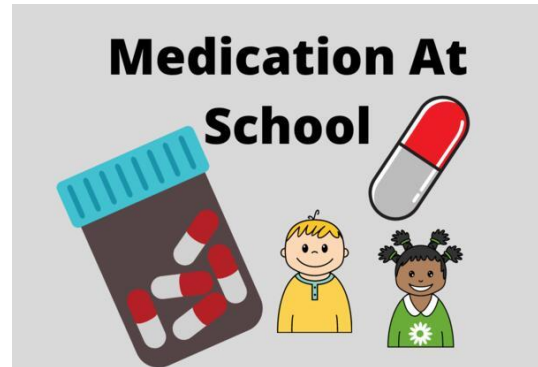

Primary: Austin, Hawk Class, Thomas Y, Amira, Ethan M & Bonny
Well done!

Message from Healthcare

Thank you to those parents who have provided their children's medications to school for the new term. Should you wish for your child to have medications administered in school please be aware that all medications coming in to school must be signed into school by an adult either via transport or by yourselves. Please do not send in any medications in pupil's bags. Please send all medications in their original packaging and ensure products are in date.

We are happy to hold painkillers for pupils if you feel this is necessary but please sign them in via the same system.

Permission to administer medications forms are available on the school website or from the Healthcare Office.

Swimming

For those in Primary, swimming will be starting on Thursday. Please make sure they have the appropriate swimming kit with them. Including swim nappies if needed. If you haven't already, please give consent via Parent Pay and make payment if applicable.

School Menu

The menu will continue as it was and will not be changed from last term. We will be on Week Two next week. Any questions please email Emma on espeller@ravenswoodonline.org.uk.

Outdoor Education

All regular outdoor education activities will continue next week. This will be a mixture of BMXing, Trampolining or Indoor Climbing. If you have already done so please consent as soon as possible via parent pay. If you have any queries, please email Julia McIntyre on jmcintyre@ravenswoodonline.org.uk.

PFA News

PFA meeting 17th January 2022. 2pm – 3.30pm.

Before Christmas a link to survey was emailed to all parents via the newsletter. The survey was asking if families/carers preferred PFA meetings days and times. We didn't receive many replies; the outcome was a meeting on a Monday afternoon appeared to suit most people.

We would really like your input for the PFA, you are able to dip in and out of supporting the PFA. Please join us for the next meeting on the 17th January. 2022.

Covid Guidance

- All secondary aged pupils were tested immediately in school on Thursday.
- Staff will be wearing face coverings in all corporate areas. Pupils in year 7 and above can if they are able to wear a face covering in corporate areas and in classrooms. If anyone requires disposable face coverings please let us know and we can help to supply these.
- Please ensure that your child, if in Year 7 and above takes an LFT test twice a week and continues to do so until further notice.
- **If your child tests positive** they will need to isolate, new guidance has come into place stating that they can leave isolation on day 8 if they have two clear LFTs 24 hours apart on days 6 and 7, if they do have not symptoms and continue to provide daily negative LFTs. As a school we understand that this may not always be possible, and we also know that we have a high number of vulnerable pupils at the school. **We are therefore recommending that pupils remain off school for the full 10 days to protect our more vulnerable pupils and staff.**
- The school will continue to notify parents if their child is a close contact of a Covid case and they will be strongly advised to take daily LFTs for the 10 days following the contact and will need a PCR if they show any signs of being unwell. We will also follow and act on local health guidance if there is an outbreak.
