**Friday 19<sup>th</sup> December-** End of Term 1

**Monday 5<sup>th</sup> January – INSET – NO PUPILS**

**Tuesday 6<sup>th</sup> January – Term 3 Starts**

### THANK YOU

We would like to say a massive THANK YOU for your support with the Christmas Fayre. It was so lovely to see so many families come and join in with the Christmas fun.

We raised an amazing £1530!

With the money raised the PFA were able to pay for the Chaplin's Panto that came to school earlier this week.

The next PFA meeting is

**Monday 2<sup>nd</sup> March 2026**

### SIGNS OF THE WEEK:

TIME TO TALK – Animal and Human Rights

Animal

Humans

Rights

### CAR PARK IMPROVEMENTS

As we plan for the extension of our school car park, we want to make sure it best supports our families and keeps everyone safe. If you have a spare two minutes, please follow the link [Simple Search](#) and search for Ravenswood School, you will see the application for the car park extension. Please leave a comment to help us create a space that works to support our families and the school community.

## ROBIN CLASS NEWS

In Geography, Robin Class have enjoyed learning about animals from around the world and trying food from different countries. In Science we have been exploring animal habitats.

## BLUEBIRD CLASS NEWS

Bluebird Class have enjoyed learning about the rainforest this term. We went on a trip with Hawks to the woods to explore being around tall trees and find living things. In Geography we looked at different foods that grow in the Amazon Rainforest. We got to try pineapple, mango, banana, chocolate and coffee beans. We all enjoyed this very much! We are all really excited for our Christmas show next week too!

## HAWK CLASS NEWS

Hawk Class have been very busy this term learning all about rainforests! We have explored food that grows in the rainforest using a range of senses, used iPads to research what the weather is like in the rainforest and find out information about different rainforest animals, as well as using different materials to create different rainforest animals in Art. Most of all, Hawk Class enjoyed a trip to the woods with Bluebird Class where we looked at how tall the trees are and thought about what it might be like to be in the rainforest.

## HAWK & BLUEBIRD TRIP TO THE CHURCH

Hawk and Bluebird Class went on a trip to the church. We looked at their Christmas murals and listened to the Christmas story.

What a lovely experience we all had.

## HAF CHRISTMAS ACTIVITIES

The HAF team have asked us to get in touch to encourage you to book your child's Holiday Activities and Food (HAF) sessions as soon as possible.

Whether you're interested in **family activities, arts and crafts, animal encounters, sports sessions, magical theatre trips, or games**, there is something for everyone this season.

**Bookings can be made here:**

## CHRISTMAS TECH GIFTS FOR CHILDREN

Set up your child's device ahead of them opening it.

'Tis the season to be buying and wrapping presents! Gifts have changed a lot over the years - and more and more children are given presents that connect them to the online world. Whether it's a games console, smart toy, or a wearable device - it's important to understand how to keep children safe while they use internet connected devices. Even if it's an old device that's being passed on. Luckily, Childnet has this handy guide to help. The guide is 3 years old, but all the advice is still current: <https://www.childnet.com/blog/christmas-2022>
