HEADTEACHER MESSAGE

It has been another great term at the school, which ended with our fantastic school shows.

It was brilliant to see so many of you over the two shows, your support to the pupils and staff was very welcomed.

I hope that you all have a fantastic Christmas, stay safe and we are looking forward to seeing you all in the new year.

If you do need to contact me over the holiday period please email:

CREATIVE ARTS NEWS

The Creative Arts Department want to say a massive 'Thank you' to everyone who attended the Christmas show as an audience member, supported with costumes, props or donated prizes and items for the show. Without the school community this event would not be possible and we are delighted by the joy, laughter and fun that was shared by all. A huge well done and thank you to Holly Simpson and Becky Mitchell for all of their hard work to create two amazing shows and to all the staff who supported the pupils to help them perform.

SANTA VISIT

Primary had a lovely afternoon meeting Santa and receiving their presents.

HAF CHRISTMAS ACTIVITIES

The HAF team have asked us to get in touch to encourage you to book your child's Holiday Activities and Food (HAF) sessions as soon as possible.

Whether you're interested in **family activities, arts and crafts, animal encounters, sports sessions, magical theatre trips, or games**, there is something for everyone this season.

Bookings can be made here: <https://eequ.org/northsomersethaf>

CARPARK IMPROVEMENTS

As we plan for the extension of our school carpark, we want to make sure it best supports our families and keeps everyone safe. If you have a spare 2 minutes, please follow the link [Simple Search](#) and search for Ravenswood School, you will see the application for the carpark extension. Please leave a comment to help us create a space that works to support our families and the school community.

CHRISTMAS TECH GIFTS FOR CHILDREN

Set up your child's device ahead of them opening it.

'Tis the season to be buying and wrapping presents! Gifts have changed a lot over the years - and more and more children are given presents that connect them to the online world.

Whether it's a games console, smart toy, or a wearable device - it's important to understand how to keep children safe while they use internet connected devices. Even if it's an old device that's being passed on. Luckily, Childnet has this handy guide to help. The guide is 3 years old, but all the advice is still current: <https://www.childnet.com/blog/christmas-2022>

CHILDREN'S FLU VACCINATION

Children's Flu vaccination (nasal and injection) catch-up clinics are still available for all students who did not receive their vaccinations at school. Please book an appointment at <https://imms.sirona-cic.org.uk/flu/2025/book?v=4>

If you have any queries, please contact the Immunisation Team directly on 0300 124 5515 or email sirona.sch-imms@nhs.net
