### P16RM NEWS

This week in P16RM we used our travel training skills to navigate around the shops in Nailsea and identify the cost of items. We learnt that the same personal care products can be more expensive in different shops and that it's important to shop around and check prices.

We also had a great first day back at college where we discussed the difference between graffiti and street art. We then designed a front cover for our art portfolio books.

### P16 NEWS

Parents and Carers in Post16IO. Look out for a special letter in the post!

We are learning all about different workplaces this term in Careers and this week we learned all about Post Offices. We also posed for fantastic photos during bucket time which we will 'post' in the special Ravenswood Post Box next week for you to enjoy at home.

### P16 NEWS

P16TM have had a great return to school after the break. We have enjoyed sharing our holiday news and getting back into learning with our friends. We particularly enjoyed working together to think about all the things we need to do to plan a party. We got to practice our writing, making a list and even used our Maths skills to add up the cost of items and how many songs we might need for our playlist to be the correct length. We're looking forward to more planning and preparation in the weeks ahead!
