W/C Monday 16th March – P16 Work Experience

Thursday 2nd April – End of Term 4

CHANGES TO SEESAW

The school are using a new online app for recording pupil's progress in school. This new app 'Evidence for Learning' also allows us to communicate with families and share your child's progress with you in a similar way to Seesaw does now. This new app will be rolled out gradually with Duck, Bluebird, Pine, Yeo, Frome and P16RM classes receiving their invitations to join over the next week. Other classes will be invited at a later date.

Please keep an eye out for the information letter that will be coming out shortly. This will require you to complete a short form for us to get you set up and then information on how to download and use the app to communicate with us.

If you require any support with this please let the office know, who will be able to direct you to the correct member of staff.

DUCK CLASS NEWSLETTER

Duck Class have had a busy term 3 learning all about vehicles. We have identified their sounds, colour and where we might find them. The fire engine has been a favourite with us all. Duck class have also been learning about 'jumping' in different ways to develop gross motor skills and the force of pushes and pulls too! Well done, Ducks, you have been 'safe, happy and prepared' throughout this term and we are proud of each and every one of you!

PUFFIN CLASS NEWSLETTER

Puffin Class have had a very busy term and have all shown that they are ready to learn. Our topic this term is Food, and the children have particularly enjoyed decorating their own gingerbread men. It has been lovely to see their creativity and excitement shine through. We also linked this activity to The Gingerbread Man story by retelling it using the gingerbread men they made.

Well done, Puffins! Keep up the good work!

KINGFISHER CLASS NEWSLETTER

In January, Kingfisher Class came back to school, settling in very well and following routines. We are so proud and they should be too of all their learning and progress. We built with various resources. We developed our fine motor skills sculpting with clay and playdough. We also practiced filling up and pouring out items from containers (e.g. pasta) without spilling. We enjoy completing puzzles and doing them together, sharing the challenge. We have been climbing PE equipment using position words (in, on, under). We tasted some Persian food in RE, learning about different New Year celebrations. In English, we made lists, shopping and birthday wish lists, sticking pictures from a catalogue of toys. Kingfisher Class are becoming more and more independent every day, washing their hands on their own, putting on their coat and shoes and communicating needs confidently to adults in the room. Well done Kingfishers 😊 !!

Could you tell if your child was being exploited?

Join one of our free online sessions led by Child Exploitation Prevention Officer **Andri Nicolaou**

18 March 7:00 - 8:30pm

30 March 10:30am - 12:00pm

Learn about the different forms of child exploitation and how offenders groom/exploit children both online and offline. We'll highlight warning signs a child may be at risk and practical steps you can take to keep them safe and respond to any concerns.
