SIGNS OF THE WEEK:

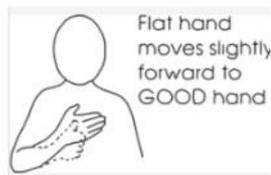

TERM 4 - International Women's Day

Woman

Straight finger moves diagonally to corner of mouth

Brave/courageous

Flat hand moves slightly forward to GOOD hand

Achievement

AVON CLASS NEWS

In Avon we have been developing characters for our dystopian story. Using adjectives, metaphors and real facial expressions to describe our characters. We have also made some Mother's Day gifts in independence. Well done Avon Class!

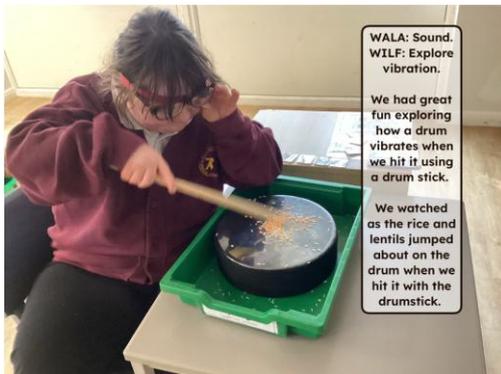

YEO CLASS NEWS

This term in Yeo we have been learning about programming Beebots in Computing. We enjoyed inputting commands and watching the Beebots move around.

We have also been learning about sound in Science. We learnt about vibration and watched rice and lentils jump about on a drum to represent vibration.

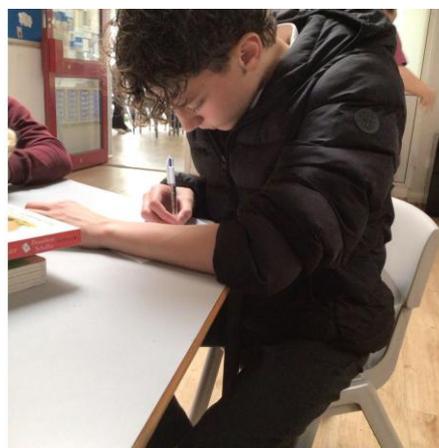

POTTERY OPTIONS

In Pottery Options, we have been working on creating our own ceramic masks, exploring different designs, textures, and techniques as we shape and decorate the clay. This has allowed us to be creative while learning new pottery skills.

AXE CLASS NEWS

Axe Class have been spending their PSCHÉ lesson time this term focusing on supporting children with different learning tasks. We have had the opportunity to support in some of our Primary classes this week and the student's all demonstrated our school values of being safe, ready and respectful. We are proud of them getting stuck in and spending time support our younger pupils.

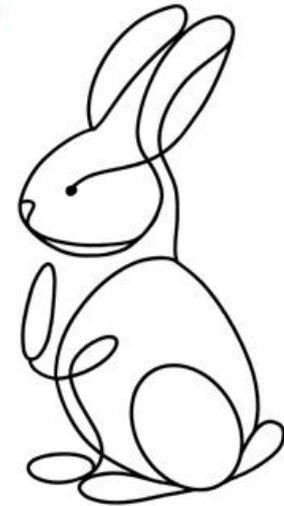

SAVE THE DATE

#HAF2026

Bookings go live
Friday 13th March at 9am

Young people who receive benefits related free school meals are invited to book onto our free HAF Spring Activities.
