GOVERNMENT CONSULTATION

A consultation has been launched by the Government seeking the view of pupils, families and members of the public views on the digital world.

The core areas of the consultation

1. Understanding how children use technology
2. Interventions for safer, more positive experiences.
3. Effective compliance and enforcement.
4. Preparing children for a digital future and enriching their online experience
5. Supporting families

You can access the consultation here.

PARENT QUESTIONNAIRE

Thank you to those parents who did manage to complete the school's parental questionnaire. Below are a table of the results.

In addition, can I thank you for the added comments received many of which were very complementary of the hard work that the staff do at the school. I also welcome the comments that have made suggestions for improvements which I will be reviewing and sharing with the whole school team.

It is a pleasure to work at Ravenswood with such a fantastic team, we all want the best possible outcomes for your child. If you do feel that you would like to have a further conversation with me or any of our school leadership team about any matter related to your child please do not hesitate to get in touch.

P16RM & P16TM CLASS NEWS

Some of the post 16 students in P16RM and P16TM performed at The Playhouse Theatre in Weston as part of the Dance Festival on Tuesday. The group performed two dances in front of over 500 people! They were all absolutely fantastic. They all performed so well. All the hard work in rehearsals clearly showed on the night. What huge success. A massive well done to all involved!

P16IO CLASS NEWS

This week, the students P16IO have started studying the book Esio Trot by Roald Dahl. They have been preparing (and occasionally eating!) food for the fictional tortoises, as well as sharing out carrots for them in maths. We are looking forward to learning more about the story and its characters.
