Drama

Music

Art

RAVENSWOOD PFA

The Parent and Friends Association is a group that organises events such as the School fayres, disco's and bingo. The money raised from these events goes to supporting the pupils, with contributing to trips, entertainment and much more. Without the PFA there are many things which would not be able to happen.

Ravenswood School PFA are always looking for help to support at our events. We hold meetings once a term.

If you could spare a small amount of time helping with any of the planning or support of our events then please contact:

familysupport@ravenswoodonline.org.uk

We would be extremely grateful for any help.

DUCK CLASS NEWS -

Duck Class have enjoyed learning about farms this term, including animals that live and work there, where they live and the food they eat. Duck Class visited Court Farm on Tuesday, which was a great experience. We saw lots of animals, including donkeys and emus! We also saw how a cow is milked and how young animals are bottle fed. Duck Class also had a thoroughly enjoyable time on the mini-bus to travel there and back and pupils showed that they are, 'safe, happy, and prepared.'

KINGFISHER CLASS NEWS

In Kingfisher Class we have been looking at animals! We have been making a papier-mâché sculpture of an animal. Can you guess what animal it is that we have been making? Clue: it's a farm animal!

We have practised stroking animals and pretended to milk a cow by squeezing pretend udders! Kingfishers have also been on a trip to Court Farm with Duck Class. We saw and stroked lots of different animals, watched a farmer milk a cow and we even got to feed a lamb! We've had so much fun this term!

Work Experience Celebration Assembly

Last Friday 16th May, Post 16 students held their Work Experience Celebration Assembly. They gave an incredible presentation sharing information about their different placements. Students created power points explaining what they did, who they worked with, the activities they carried out, what they learnt and really enjoyed. It was very professional and really well presented. Holly Atkins, our Careers Leader worked amazingly to organise some fantastic placements for all the students.

Thank you, Holly!

Also, thank you to all the employers, parents/carers and school Governors that attended, it was great to have you celebrate with us. Well done everyone, Isobel Osborne, HoD Post 16.

P16 RE / CULTURE DAY

Our Post 16 students had a great day, researching and presenting to other classes on different religions and cultures. Some students found out about Chinese New Year and made fortune cookies. We found out what animal people were linked to, using the Chinese Zodiac. Other students learnt about the story 'Joseph and His Amazing Technicolour Dreamcoat' and did lots of singing and dancing together. Other students found out about the Jewish Passover, made unleavened bread and presented the story to the other classes.

Well done everyone, for making it such a successful day.
