SECONDARY & P16 SPORTS' DAY

We are looking forward to welcoming families to our Secondary & P16 Sports' Day on **Tuesday 14th July**.

Arrival Time: 9:45am

Start Time: 10:00am

Please remember to bring your own chairs for seating during the event.

We look forward to seeing you there and cheering on the children as they take part in the sports day activities!

PRIMARY SPORTS' DAY

Our Primary Sports' Day was a fantastic celebration of teamwork, determination and fun. A huge thank you to all the families who came along to cheer on and support our pupils—your encouragement made the day even more magical. We would also like to thank our dedicated staff for their hard work in organising and running such a successful event, and of course our wonderful pupils, who showed great enthusiasm, resilience and sportsmanship throughout the morning. One of the highlights was the family and pupil running races, which brought plenty of excitement, laughter and friendly competition. It was wonderful to see everyone coming together to celebrate our school community. Thank you to everyone who helped make the day such a memorable success!

HEADLICE

We currently have confirmed cases of head lice in school, please check your child's hair and then refer to the Department of Health's Head Lice fact sheet:

http://access.health.qld.gov.au/hid/InfectionsandParasites/Parasites/headLice_fs.asp

Your local pharmacist can provide advice regarding head lice treatment options and head lice combs.

To reduce your child's risk of getting head lice, make sure that long hair is tied up and discourage children from sharing their brushes and combs and having head-to-head contact with others.

Because head lice need close head-to-head contact to spread from one person to another, to reduce the spread of head lice, teachers will discourage students from activities which may involve head-to-head contact.

Remember - Anyone can get head lice – they have no preferences for cleanliness, hair colour, hair type, ethnicity or age.

SELF-HARM AWARENESS TRAINING FOR PARENTS & CARERS

Free training courses on self-harm awareness for parents and carers.

Training to support self-harm awareness including signs and indicators, alternative coping strategies, and responding to self-harm.

Join peers to develop your understanding and awareness of self-harm, taking into account the professional or pastoral staff perspective and the emotions that can arise.

Training aimed at practitioners and people working with children and young people, including those working within voluntary sector organisations.

Self-Harm Awareness Training for Practitioners: Tuesday 13 October 10am-12.30pm

Training to build knowledge, confidence, and practical communication skills to help you support a young person who may be self-harming.

Join other parents and carers to build knowledge, confidence, and practical communication skills to help you support a young person who may be self-harming or experiencing emotional distress.

Self-Harm Awareness Training for Parents & Carers: Wednesday 23 October 6-8.30pm
