HAVE A LOVELY HALF TERM

SEE YOU ALL BACK ON SITE MONDAY 1ST NOVEMBER

Message from Mark Senior

Can I thank you all for your support in what has been a very challenging time for our school community. Your comments in meeting, emails and fundraising efforts for the school have been very welcomed and I feel brought our school community closer.

I know that a full independent enquire will take place into the flooding disaster and I hope that the lessons learnt from Ravenswood's experience will ensure that no other community has to suffer like ours in the future.

Next term the school will continue to rebuild, and I can ensure you that plans are in place for pupils to catch up on any lost learning opportunities.

We are very much looking forward to welcoming back the pupils from The Campus and Post 16 returning to the Iles building which will bring some sort of normality for the start of term two.

The roofing work is still in progress and we hope for this to be completed in November.

Your child has had to put up with so much during term 1, can you thank them, from us all, for just being their super selves.

I hope you all have a safe and enjoyable half term.

Take care
Mark

Nut Free

Please ensure that your child's snack and packed lunch are free from nuts. We have several pupils on site with severe allergies and we must all keep them safe.

College Info:

Post 16 and Year 11 students would have received home this week college information forms. Thank you to all who have already returned these. Please could anyone that hasn't give them back to the office on return in November. College will be due to start, and we need all the paperwork back prior to this.

Uniform Supplier – School Trends

Our uniform suppliers have sent a letter home to all pupils this week apologizing for the delays that some of you faced during the summer months. Unfortunately, several factors affected them and hopefully should now be rectified. They are continually looking at ways they can improve their service to their customers and all feedback is welcomed. They would like to thank their customers for their patience and understanding in these challenging times.

Amazon Smile

We now have a link for Amazon Smile. It means, as you shop, you can raise money for school. You keep your existing account and the prices are the same. Use the link below to link your account. The only difference is you must start at Smile Amazon each time rather than the main site. You can set to remember you.

I will also be setting up wish lists where you can ask for crafts etc for your class and donors can purchase and send directly to school. More info to follow.
