

PE and Sports funding 2018-2019 – making a difference at Ravenswood School

Purpose of funding

Schools have to spend the Primary PE funding on improving their provision of PE and sports. They have the freedom to choose how they do this.

We carefully planned how to make the best use of this funding and appointed Jane Hawkes to be our School Sports Co-ordinator. Jane works well with colleagues to ensure all pupils have:

- High quality PE lessons
- Intra school sports competitions
- Interschool sports activities
- Access to Games for Life sports clubs
- Leadership opportunities

PE and sports funding has also been spent on climbing instruction for KS3 and KS4 students and catch up swimming sessions for Primary, Willow and Yeo Classes.

Outcomes of this work

Over the past 5 years we have reviewed and improved our PE and sports provisions. This has led to us achieving Games Sports Awards Gold in Summers 2015, 2016, 2017, 2018 and 2019. These prestigious awards have been given in recognition of the improvements we have made in PE and sports access for our pupils.

- Most pupils make good progress in PE. Many, pupils have improved in stamina over the year as measured by improvements in their running distance in a set time.
- Year 10 and 11 all follow AQA unit Awards at Entry level 1, 2 or 3 in PE.
- P-16 students develop leadership/sports coaching skills and lead PE lessons for younger pupils within Ravenswood and at a local mainstream primary school including intra school competitions.
- Nearly all pupils are engaged, motivated and demonstrate good understanding and skill and take some lead in PE lessons.
- Behaviour is excellent across PE lessons and pupils make decisions that challenge and inspire them even further.

- Pupils engage in a range of physical games and activities at playtimes and lunchtime including football, go karts, pedal bikes, Tag and climbing equipment.
- 25% of year 6 pupils met all three of the the Year 6 standard for swimming.
- 50% of the year 6 pupils met two of the year 6 standards for swimming (self rescue and 25m)

- PE and sport are used to engage foster positive relationships with other schools and interschool competition with pathways to national levels.
- Most pupils in KS3 and KS4 have taken part in 4 week climbing sessions at local climbing/ bouldering centre.
- Pupils in Primary, Willow and Yeo have taken part in weekly swimming sessions.
